The Netherhall School

September 2026

Dear Parents/Carers,

Netherhall School Open Evening – Thursday 15th October, 6.00pm – 8.00pm

We are delighted to invite you to our open evening on Thursday 15th October. Our school, rated "Good" in all areas by Ofsted, has gone through a number of exciting developments recently. We would love to show you what we have achieved and all the opportunities we can offer your child in the next stage of their education.

We are expecting a large number of parents and children from local schools and beyond, but with our spacious site and the address from the Principal repeated at two points in the evening, we should avoid overcrowding at any one time. The programme for the evening is as follows:

6.00pm	Start of the Open Evening. Subject areas can be visited across the school site and children can take part in a variety of activities. For a guided tour of the school site, conducted by some of our current students, please report to the Library at any time. However, if you prefer, you may make your own way around the displays and activities.
6.15pm	Principal's address in Atrium Hall
7.00pm	Principal's address in Atrium Hall (this is a repeat of the earlier address)
8.00pm	End of the Open Evening

A programme will be provided on the night giving further information about the activities and where everything is taking place. Members of staff and students will be available at all times to welcome you, answer your questions and direct you around the site. Our Deputy SENDCos, Mrs Beadling and Mrs Davenport, will also be available. However, given the nature of the questions you may wish to ask them, it might be more helpful for you to contact them directly at lbeadling@netherhallschool.org and rdavenport@netherhallschool.org.

We are currently in the process of updating our prospectus and turning it into a digital document. When it is ready, we will send a link to your child's primary school to be shared with you. In the meantime, please visit our website where there is a wealth of information about the school (https://netherhall.org/). We look forward to welcoming you on the night.

Yours sincerely,

Chris Tooley
