Dear Parent,

Invitation to Taster Session, St Vigor's Parish Church Choir

I am the Director of Church and Community Music based at St Vigor's Parish Church, Fulbourn. I visited the Primary School last week to take a singing assembly; it was clear to me that there were some really good singers there, and I mentioned that we are currently looking for six more children to join our wonderful choir at St Vigor's.

The *St Vigor's Church Choir* is for children aged 7+ who love to sing and is completely free to join. The choir offers a brilliant introduction to choral singing and is a chance for children to learn new music, perform, be part of a team and make new friends. The children get a free musical education, pizza during rehearsal breaks, and pocket money for every attendance (paid at the end of each term)!

The choir rehearses weekly on Wednesdays at 6.00pm in St Vigor's Church, Fulbourn and sings at the Sunday service at 11am most weeks.

I would like to invite you and your child to a taster session for this choir. For new members, there will be an open rehearsal at St Vigor's Church on Wednesday 15th January 2025 from 6.00 to 7.00pm. The children will spend time rehearsing as part of the choir and will prepare a piece to perform for the parents at the end. There will be refreshments available for parents during this time and a pizza break for the children in the middle.

It's our hope that your child will really enjoy the taster session and want to try out the church choir from the following week.

Please email fulbournchoirs@gmail.com to register interest in attending the *St Vigor's Church Choir Taster Session* in January. We will then send you an email message nearer time to remind you of the date.

In the meantime, if you'd like to hear the church choir sing, we would love to invite you to come to the Carol Service at St Vigor's on Sunday 15th December at 6.00pm.

Yours faithfully

David Poulter
Director of Church and Community Music
