Fulbourn Cinema in 2025

Unfortunately we're unable to show a film during February, but we'll be back again from March. Working closely with Creative Arts East means we have access to a wide range of films and are currently considering the films below.

Anatomy of a Fall

The Great Escaper

Fulbourn Centre Centennial Film

American Graffiti

We're also planning a special screening of a 1920's film as part of the centennial celebrations for Townley Hall in May, as well as looking into the possibility of screening some 'Live Theatre' at some point this year.

Fulbourn Arts Presents ...

Prepare for some 'Annual Favourites' reappearing during the year... as well as some new live performances. We are looking forward to organising gigs in the Fulbourn pubs, in St Vigors Church, and also in the United Reformed Church on Home End – and, of course, in our regular venue, the Townley Memorial Hall in The Fulbourn Centre.

Feedback

As we return to planning and managing events for 2025, it is good to remind ourselves of the purpose of Fulbourn Arts. We are here to support the Community of Fulbourn to experience a wide range of arts and performance, to include drama, literature, music and visual art by organising events and facilitating artistic activity. (You can find our full Constitution on our website [HERE](#))

To really fulfil our mission, we need to understand what the people in our Community would like to see, experience, or participate in.

If you would like to share thoughts or ideas about Fulbourn Arts and what we do – or how we do it – we would appreciate the feedback! Please email us fulbournarts@gmail.com – or join us at any of our meetings – but particularly at our AGM - details of which will appear in The Mill.
