Dear All,

Fulbourn Windmill CIO Open Public Meeting
Thursday 8 October, 7.30pm, in the Large Meeting Room, Fulbourn Centre
The Fulbourn Windmill Trustees invite you to join them for this meeting, open to all, for an illustrated presentation about the windmill restoration progress, future plans, and how you might like to get involved, both in the near future and in the long term. There will be time to ask questions, both about the work being undertaken and the opportunities to be involved when the mill is returned to a working condition.

Community Litter Pick
Sunday 11 October. Meet between 2.00 and 2.30pm outside the Fulbourn Centre.
The weather is looking dry and perhaps sunny for the Sunday afternoon litter pick. Meet outside the Fulbourn Centre to collect pickers and bags, and to confirm your picking area. We have some gloves and hi-vis vests to borrow, but do bring your own if you have them. With enough volunteers we can not only clear litter in the village, but also get out along the six approach roads towards the parish boundary. Please come and help if you can.

Always take extra care near the roads with fast moving cars. Take no risks, but report back any litter that you have not been able to reach. Vapes must not be put into the black bin bags, but brought back to the Centre for separate disposal. Supervised children are very welcome.

If you cannot join the pick on the Sunday afternoon but would still like to help by picking on another day, please contact us to arrange for collection of pickers and bags, and to confirm a picking area. These will be available from late Friday afternoon, 9 October.

Best wishes,

David Cottee
