TERMS AND CONDITIONS

PAYMENT This is to confirm your booking for your lessons. Payment should be returned along with the enrollment form to secure your place. Payments can be made via ,

NEW BANK DETAILS !!!!!Bank Transfer (BACS) to MR SP KIDMAN SORT 20-74-05 ACCOUNT 10282715

Please insure your payment is received by the enrollment deadline to confirm your lessons. The amounts may vary from term to term depending on the number of weeks the course runs. Thank you.

ENROLMENTS These forms must be completed by all new pupils and returned with payment. You will then be contacted to confirm day and time of lesson.

RE-ENROLMENTS Each term there will be a time to re-enroll for the following term. These dates will be clearly visible at the pool. All payments must be received by these dates to guarantee your place.

CLOTHING All swimmers must be in the correct attire. Swimming trunks rather than shorts for the boys, one-piece costume for the girls. All shoulder length hair must be tied back or a swimming hat worn. This is a big benefit when swimming and will help in progressing the swimmers.

CHANGING ROOMS Parents helping children to change must take them into changing rooms of their own gender. Mums therefore take their children into the girls changing room and dads would take them into the boys changing rooms. It is expected that Pupils of a certain age should be able to manage themselves.

REFUNDS / CREDITS It is our priority to get your children to enjoy their swimming lessons. However, if after a number of attempts the child refuses to enter the water or is continually distressed, SAS Swimming may withdraw the child until the following term. Any children showing disruptive / dangerous behaviour will also be removed until the following term as it is unfair and unsafe on others participating in the class. Refunds / credits cannot be given for any unattended lessons.

QUALITY All teachers are ASA qualified and police checked. All teachers follow our safety and child protection policy. The purpose of these lessons is to encourage and develop children to swim in a fun and safe environment.

POOL CLOSURES If there is ever a pool closure all parents will be contacted as soon as possible. Please make sure we have current telephone numbers. Lessons will be made up either at half-term or at the end of each term, subject to availability. If this is not possible unfortunately the lesson will be deemed as lost. Credit notes for the following term will only be issued following a pool closure of more than 3 consecutive weeks. Snow days are deemed lost.

CHILD'S NEEDS Children with special needs or disabilities are welcome and we try to integrate as best we can. However we do not have specialised staff for these lessons, and reserve the right to withdraw any child that disrupts or compromises the safety of themselves or fellow swimmers. Safety is our paramount concern.

SPECTATORS Watching lessons is encouraged, however ALL spectators MUST remain quiet at all times. Children watching must be kept under control and WILL NOT be allowed to walk around poolside during lessons. Please do not approach/distract teachers during lessons. Contact the office and we will be pleased to help you. This will enable the swimmers to get maximum benefits without distraction. No buggies, food or drinks allowed on poolside. Shoes should be removed before entering poolside. SAS Swimming has a strict no photography / filming policy.

ALL SPECTATORS MUST BE AS QUIET AS POSSIBLE WHILE LESSONS ARE IN PROGRESS.

GUARDIANS A parent or guardian must remain on site during lessons in case of need. Children waiting must be kept with you and under control at all times. Do not allow your child to play on any school equipment inside or outside the school. Should one of the children under your control cause damage to any such property or cause injury to themselves you will be liable.

CRASH COURSES We reserve the right to cancel crash courses if numbers are too low. In the event of this happening your payment will be returned or destroyed.
