Suitable for newly qualified teachers (ECTs) and experienced teachers

Fulbourn Primary School is a **fabulous place to work!** We have an experienced and supportive staff team who enjoy working together and are not afraid to try new things. Staff wellbeing is important to us as we believe children are best supported by adults who are happy, motivated and enjoy their job. Staff tell us they feel well supported by leadership and each other; they love working at our school.

Our children are certainly the best thing about our school: they are interesting and interested. They enjoy our personalised curriculum, built upon a series of essential experiences that aim to make learning meaningful. Our beautiful school site is the perfect setting for lots of outdoor learning so we make good use of the natural environment around us. Our ecology curriculum supports children to connect with the natural environment and makes good use of our pond, allotment and forest school areas. Our inside spaces are just as creative with a reading 'Hive', design and technology room and community art gallery.

We are looking for a teacher to join our knowledgeable and supportive team. We are interested to hear both from experienced teachers looking to apply their skills in a new setting and those at the beginning of their career. We are committed to staff professional development and will provide you with the right support to help you thrive at work. In return, we are seeking energy, positivity and a commitment to supporting the very best outcomes for each and every pupil.
