AND INTRODUCING MEN IN SCHOOL !

Men in School (MiS) is our school's volunteer group for any dads or carers with a child at Fulbourn Primary School. It was founded over 10 years ago, at a time when we had no male teachers, and primary schools generally had limited male presence and role models.

Their mission is to organise extra-curricular activities that enrich the lives of our pupils, to provide a way for men to get involved in school life, and to support the PTFA in their crucial fund-raising efforts. Examples of their activities include:

- Repairing and upcycling items for Outdoor Play and Learning (OPAL)
- Hosting Stargazing nights
- Providing basic bike maintenance ahead of Bikeability sessions
- Running Easter egg hunts
- BBQing at the School Summer Fair and Year 6 Leavers Party
- Organising an annual Summer Camp

The group generally meet once a month, and if you'd like to learn more about what they do or how to get involved, email misfulbourn@gmail.com and they can add you to their WhatsApp community.

We can't wait to meet you, see you at the school gates!
