Exciting new clubs for summer:

- **Tennis** with our new provider Over & In. The aim of the tennis club for our KS1 & KS2 children is to plant the seed of love for tennis so that children can go on and seek further enjoyment outside of school. The club will be aimed at beginners and experienced players and the coaches will adapt as such to provide maximum enjoyment for all.
- **Nature Watch** with Ms Richman for EYFS KS1 & KS2 children – The children will be enjoying time outside in our school grounds finding out about the types of plants and animals that live alongside us. This might involve being still and quiet watching birds or going out hunting for bugs, identifying trees and plants or drawing up our own maps of the school grounds to pinpoint certain habitats.
- **Warhammer** with Mrs McCaughran for KS2 children – Warhammer is a tabletop miniature war game with a medieval fantasy theme. Players take turns moving their model warriors across the playing field and simulate a battle. The outcomes of fights between the models are determined by a combination of dice rolls and simple arithmetic.

More information about all of our clubs can be found [here](#) on our website.

- Choir will remain free for all children *in addition* to their free club
- Each club requires a minimum number of participants to be financially viable. You will be contacted as soon as possible if a club has too few participants to run.
- Forest school requires an additional £3 fee weekly as it is a 2-hour club.
- Cooking clubs – the curriculum is repeated termly. If your child has previously attended this club, they may wish to try something new rather than repeat the same activities again.

As always, if you have any questions please contact the school office.
