included emotion - how I feel about my name.	✓	✓

My name is magic

My name smells like chocolate
My name tastes like dark
chocolate. My name looks like
a squishy red blob, my name
sounds like a grasshopper
hoping. My Doctor thinks my name
means still and patient.
My Nanny means greatest because
I am good at tons of things.
My Dad thinks my name means
good at scrabble. My Granny
thinks my name means good
footballer. My Brother thinks my
name means good at video games.
I think my name means fast and
good on a stunt scooter and very
energetic.
