

Dear Parents and Carers,

This year we are pleased to be able to offer an additional Bikeability Cycling Training option. The training is for those children in years 3 - 6 who **are not able to cycle independently** without assistance e.g. stabilisers.

Learn to Ride training is on Friday 16th January and takes place in the playground. The course teaches riders how to cycle on two wheels for the first time and begin mastering control of their bikes.

Full information about the training is attached.

There are a few spaces still available so if you would like to book a place for your child you can either complete the attached form and return it to the school office (copies available in the school office), or complete [this online form](#). Please complete one form for each child and return/complete no later than **Friday 21st November**.

With kind regards,

The School Office Team
