# Parent and Visitor Code of Conduct

## Statement of Intent

At Fulbourn Primary School, we strive to build a strong relationship with parents to help create a stimulating learning environment that continues from school to home, providing all pupils with the opportunity to achieve to the best of their ability.

To create a welcoming and safe learning environment, the school implements a specifically designed set of rules regarding behaviour and conduct which parents are expected to act in accordance with.

All staff members have the right to work without fear of violence or abuse; therefore, physical attacks, threatening behaviour, and abusive or insulting language towards staff members, governors, visitors, pupils or other parents may result in individuals being removed from the premises.

We ask that all informal concerns or questions are raised through a respectful conversation with school staff in the first instance, rather than through requests for written communication or formal correspondence. This approach helps protect staff time and supports quicker, more productive and satisfactory outcomes for everyone involved.

This document outlines the manner in which parents are expected to act whilst on the school premises, as well as detailing the type of behaviour that will not be tolerated.

## 1 Legal Framework

This document has due regard to all relevant legislation and statutory guidance including, but not limited to, the following:

- DfE (2018) 'Controlling access to school premises'

This document operates in conjunction with the following school policies:

- Support and reflect the school's ethos and values through their behaviour.
- Set a good example to pupils through their behaviour and the way they interact with staff, pupils and other adults.

# Parent and Visitor Code of Conduct

- Treat all governors, staff members, pupils, other parents and any members of the school community with dignity and respect.

- Respect the school's property and environment by keeping it clean and tidy.
- Follow the school's parking rules and procedures for dropping off and collecting pupils from school.
- Dress in an appropriate manner when on the school premises and attending school events, and ensure their dress and appearance reflects that they are role models for pupils, e.g. parents may not wear nightwear when dropping off or collecting pupils.

## 3 Driving pupils to school

Parents are not permitted to use the school car parks unless by specific prior agreement with the school for a particular event (e.g. to drop off equipment), or because they require a disabled bay.

Parents are not permitted, to stop, wait, drop off, or pick up pupils while parked in a prohibited area (yellow lines, school markings, dropped kerbs).

Residents' drives should not be blocked under any circumstances, even during short periods of waiting where the car is in use.

Due regard should be given to the directions of school, staff, who are present to advise on and enforce this code of conduct.

## 4 Inappropriate behaviour

The school takes instances of inappropriate behaviour very seriously and will not tolerate any circumstances that may make pupils, staff members and other members of the school community feel threatened.

Parental behaviour that the school does not tolerate includes, but is not limited to, the following:

- Using foul, abusive or offensive language

## 6 Managing inappropriate behaviour

If a parent is behaving inappropriately, a report will be made to the headteacher or the most senior member of staff available in their absence, who will decide on the most appropriate course of action.

Parents will raise concerns regarding another parent's behaviour or conduct directly with their child's class teacher or the headteacher and will not approach the parent themselves.

Instances of parents displaying inappropriate behaviour will be managed in a variety of ways, depending on the severity of the situation.

When a parent has behaved inappropriately, they will be invited to a meeting by the headteacher to discuss their behaviour and to attempt to resolve the issue. Where this initial meeting is not sufficient to resolve the issue, the headteacher, in collaboration with other staff and relevant agencies, will consider what further action may be required. This action, depending on the situation, could include the following:

- Barring the parent from the school premises
- Contacting the police
- Seeking legal redress through the courts
- Restricting the parent's channels of communication to the school, e.g. no longer allowing the parent to send emails to a staff member directly
- Reporting content the parent has posted online to the website's admin
- Referring the case to children's social care, where the behaviour indicates that the parent poses a risk to children

Any child protection and safeguarding concerns will be addressed in accordance with the school's Child Protection and Safeguarding Policy.

The school reserves the right to escort anyone off the premises who is displaying aggressive or disruptive behaviour. The police may be contacted to provide advice on managing an incident or to assist in the removal of an individual from the premises, where necessary. The police will be contacted where a parent is being violent or has committed assault, or where the event has caused harm to an individual.

If a parent has been previously barred from the premises, or has exceeded their implied access to the premises and is causing a disturbance, the police will be contacted to remove the individual from the premises.

If concerns are raised in relation to a parent's appearance or dress, personal factors will be taken into consideration, on a case-by-case basis, when addressing the concern.

If a parent persistently displays unacceptable and inappropriate behaviour, this may result in them being barred from the school premises, in line with the Barring from the school premises section of this policy.

# Parent and Visitor Code of Conduct

## 7 Barring from the school premises

The school has the right to bar a parent from the premises to keep the school community safe. If a parent is displaying inappropriate or concerning behaviour, they will be asked to leave the school premises. Behaviour that could result in a parent being asked to leave the premises includes aggressive, abusive or insulting behaviour or language that is a risk to staff or pupils, or behaviour that is making staff or pupils feel threatened.

If a parent persistently or consistently behaves inappropriately on the school site, or there is a one-off incident of extremely inappropriate behaviour, the school reserves the right to bar this individual from the school site.

The school will either:

- Bar the parent temporarily, until the parent has had the opportunity to formally present their side.
- Inform the parent that they intend to bar them and invite them to present their side.

The headteacher will send a letter to the parent, informing them of the following information:

- Why they have been temporarily barred or face a bar
- The nature of the bar, i.e. if they are temporarily barred pending their representation or if they must present their side before the decision to bar can be made
- That they have the right to formally express their views on the decision to bar in writing to the chair of governors within 10 working days

The headteacher's decision to bar the parent will be reviewed by the chair of governors.

The chair of governors will take account of any representations made by the parent and decide whether to confirm or lift the bar. The parent will be notified in writing of the decision to uphold or lift the bar.

If the decision is confirmed, the parent will be notified in writing, explaining:

- How long the bar will be in place.
- When the decision will be reviewed.

Decisions to bar will be reviewed at the end of the agreed timescale, in line with the process outlined above. Following a review, the bar may be lifted or, if there are grounds for continued concern regarding the parent's conduct, it may be extended.

Once the appeal process has been completed, parents that remain barred may be able to apply to the Civil Courts. If a parent wishes to exercise this option, they will be advised to seek independent legal advice.

## 8 Monitoring and Review

This document will be reviewed on an annual basis by the headteacher and any changes made will be communicated to all parents and staff at the school.

All parents will be provided with a copy of this code of conduct upon their child's attendance at the school and are required to familiarise themselves with the procedures and guidelines outlined.
