Parents' Evenings

Our teachers greatly look forward to our parents' evenings as they are an opportunity to share all your children's successes. The focus of the Spring term meeting is to discuss your child's progress since their December report, their wellbeing and to answer any questions you may have. It is also a chance for you to share any information that will help your child's learning and well-being. The meetings last no longer than 10 minutes and we ask that parents respect this so that the evening can run on time for all our families.

Parents' evenings will take place on Tuesday 10th February (all classes except Baltic) and Wednesday 11th February (all classes except Atlantic).

For Atlantic class, appointments will be Tuesday 10th February and Friday 13th February.
