Equality Information and Objectives Policy

The Equality Act 2010 provides a modern, single legal framework with three broad duties:

- Eliminate discrimination harassment and victimisation
- Advance equality of opportunity
- Foster good relations

For the purpose of this policy, the Equality Act 2010 will be referred to as ‘the Act’. The school fully understands the principles of the Act and the work needed to ensure that those with protected characteristics are not discriminated against and are given equal opportunities. Protected characteristics, under the Act, are as follows:

- Age
- Disability
- Race including colour, nationality, and ethnic or national origin
- Sex
- Gender reassignment
- Maternity and pregnancy
- Religion and belief
- Sexual orientation
- Marriage and civil partnership

The Act makes it unlawful for the responsible body of a school to discriminate against, harass or victimise a pupil or potential pupil:

- In relation to admissions.
- In the way it provides education for pupils.
- In the way it provides pupils access to any benefit, facility or service.
- By excluding a pupil or subjecting them to any other detriment.

The responsible body for the school is the governing board or the LA.

The school’s liability not to discriminate, harass or victimise does not end when a pupil has left the school, but will apply to subsequent actions connected to the previous relationship between school and pupil, such as the provision of references on former pupils or access to former pupils’ communications and activities.

The school will promote equality of opportunity for all staff and job applicants and will work in line with the Staff Equality, Equity, Diversity and Inclusion Policy.

2. Roles and responsibilities

The governing board will:

- Ensure that the school complies with the appropriate equality legislation and regulations.
- Meet its obligations under the PSED to:
 - Publish equality objectives at least every four years commencing on the date of the last publication.

- Abide by all the school's equality and diversity policies, procedures and codes.

Equality Information and Objectives Policy

The school will have an equality page on its website, in order to demonstrate how it is complying with the PSED in the Equality Act 2010, and advancing equality of opportunity.

3. Equality objectives

The school is committed to promoting the welfare and equality of all its staff, pupils and other members of the school community.

The school sees all members of the school community as of equal value, regardless of any protected characteristic. The school's policies, procedures and activities will not discriminate but must nevertheless take account of differences in life experience, outlook and background, and in the kinds of barriers and disadvantages which people may face in relation to any protected characteristic.

The school's Equality Information and Objectives Statement sets out how the school is meeting the PSED and outlines how equality of opportunity is ensured for all members of the school community. The Equality Information and Objectives Statement is reviewed at least every four years and is published on the school website annually.

The school will consult with stakeholders to establish equality objectives and draw up a plan based on information collected on protected groups and accessibility planning.

Please refer to the school's objectives as detailed in Appendix 1.

The school will regularly review the steps being taken and the progress made towards the achievement of these objectives and, in line with the specific duties of the PSED.

4. Collecting and using information

In accordance with the requirements outlined in the UK GDPR and Data Protection Act 2018, personal data will be lawfully collected and processed in line with the principles and practices outlined in the Data Protection Policy and only for specified, explicit and legitimate purposes, e.g. to comply with the school's legal obligations.

The school will collect equality information for the purpose of:

- Identifying key issues, e.g. unlawful discrimination in teaching methods.
- Assessing performance, e.g. benchmarking against similar organisations locally or nationally.
- Taking action, e.g. adapting working practice to accommodate the needs of staff who share protected characteristics.

The school will build an equality profile for staff to assist with identifying any issues within their recruitment regime. The school will obtain the following information from their staff:

- Recruitment and promotion
- Numbers of part-time and full-time staff
- Pay and remuneration
- Training
- Return to work of staff members on parental leave
- Return to work of disabled employees following sick leave relating to their disabilities

Equality Information and Objectives Policy

- Appraisals
- Grievances (including about harassment)
- Disciplinary action (including for harassment)
- Dismissals and other reasons for leaving

The school will use the information it obtains to analyse any gaps present in its equality documentary, including the Pupil Equality, Equity, Diversity and Inclusion Policy and Staff Equality, Equity, Diversity and Inclusion Policy.

5. Publishing information

The school will publish information to demonstrate its compliance with the Act in its annual report.

6. Promoting equality

The school's Equality Objectives set out the school's approach to promoting equality and diversity across the whole school community.

7. Addressing prejudice-related incidents

The school is opposed to all forms of prejudice. The school will ensure that pupils and staff are aware of the impact of prejudice. The school will address any incidents immediately and, where appropriate, report them to the LA.

Any reports of bullying and prejudice will be carefully monitored and dealt with accordingly. **Annual** training will be given to all staff to ensure that they are aware of the process for reporting and following up incidents of prejudice-related bullying.

8. Complaints procedures

The school aims to resolve all complaints at the earliest possible stage and is dedicated to continuing to provide the highest quality of education possible throughout the procedure. Any person, including a member of the public, is able to make a complaint about the provision of facilities or services that the school provides.

The school will adhere to the Complaints Procedures Policy to ensure a straightforward, impartial, non-adversarial process, that allows a full and fair investigation, respects confidentiality, and delivers an effective response and appropriate redress. If a complaint has completed the school's process and the complainant remains dissatisfied, they have the right to appeal, as outlined in the Complaints Procedures Policy.

The school will work to develop good professional relationships between colleagues; however, the school understands that sometimes conflicts may arise. Through maintaining open communication, the school wants its employees to feel able to raise any grievances so that appropriate and effective solutions can be put in place. Grievances raised by staff members will be processed in accordance with the school's Grievance Policy.
