Introduction from the Chair of Governors

A very warm welcome to our school. At Fulbourn Primary School we want to be at the heart of the village community, working together to make both the school and the village a great place to be. All schools have their own distinctive feel, which makes each one unique.

We believe that what makes our school unique is the way our children are encouraged to be independent; that they have something to offer which is valued and that their learning journey is something that they can shape. Visitors often reflect on the wonderful atmosphere which combines this curiosity for learning with compassion, enthusiasm for creativity, and permanent emphasis on building courage and self-belief.

The school was last inspected by Ofsted in October 2022 and the overall performance was judged to be good. We are proud of our very good academic results. Overall attainment is above both local and national averages and high achievers are leaving with results which show that they are being stretched.

We are proud of our school environment that will in time, enable us to expand to two-form entry, accommodating building developments in our village.

We look forward to welcoming you to our wonderful school.

Section 1

An introduction by the Head Teacher

At Fulbourn Primary School, we believe that children learn best when they feel happy, safe and secure. We create a nurturing environment and set challenging targets for pupils and staff. As a result, children at our school thrive and fulfil their potential. We want all children to feel that they have something to offer that is valued. We believe they should be excited about and enthralled by learning, brimming with further questions that they want to explore. When you visit our school, you will find children are motivated, inquisitive and keen to extend their learning.

Being at the heart of the local community, we are seeking new recruits to join our governing board and we would be delighted if someone who resides nearby were to join us.

Vision and Values

Our vision statement, 'Making aspirations achievable', reflects our commitment to ensure all pupils leave the school equipped with the skills and knowledge necessary to pursue their dreams. Four core values underpin our decisions and actions and are symbolised in our school logo. These are known as the 4Cs:

We have chosen these as core values because we believe that:

Children who have **courage** and self-belief are most likely to achieve their aspirations.

Children who are **curious** about learning will question the world around them and always challenge themselves and others.

Children who have **compassion** will be, and teach others to be, better human beings.

Children who are **creative** will be able to solve the problems of the future.

What is a school governor?

School governors are people who wish to make a positive contribution to children's education. Governors are volunteers who work with school staff to ensure children get the best education the school can provide. They have a varied and important role, in helping our school run effectively. The governor role is strategic rather than operational. Governors don't get involved with the day to day running of a school, instead supporting and challenging the school's leadership team to drive school improvement. They champion the work the school does.

Could you become a school governor?

If the answer is YES to the following, please get in touch:

- Can you spare some time?
- Do you enjoy working as part of a team?
- Are you interested in serving the local community?

Being a school governor is a rewarding role. Our governors come from our local community and wider afield, and in their role they:

- Get to know the school, including visiting the school occasionally during school hours and in agreement with the headteacher, and gaining a good understanding of the school's strengths and weaknesses
- Attend induction training and regular relevant training and development events
- Attend meetings (full governing board meetings and committee meetings)
- Act in the best interests of all the pupils of the school.

Being a school governor is a commitment and a responsibility but offers you the chance to see first-hand the impact you can make in improving education for children in your community.

Types of School Governors

Governing boards are made up of different types of school governor, from the school and from the wider community.

Co-opted (sometimes referred to as Community) Governors

These are governors who are appointed to the board by the existing governors in order to enhance the skills and experience of the board. They will act in the best interests of the school and the wider community.

Parent Governors

Parent Governors offer a perspective from the parent community and have the same responsibilities as other types of school governors. They are elected by fellow parents. Becoming a parent governor is a rewarding opportunity to give back to your local community and use your skills and experience to ensure that pupils get the best possible education.

Staff Governor

A staff governor is elected as a representative staff member on the board. Their role is to bring a staff perspective to discussions held by the governing board

Local Authority

Governors who are nominated by the local authority but appointed by the governing board.

Associate Member

A board may appoint associate members. Associate members have no voting rights on the full governing board, however they may vote on any committees to which they have been appointed.

Do I need to have certain qualifications?

No special qualifications are needed and the most important thing is to have a keen interest in the school and be prepared to play an active part in the governing body's work.

There are some circumstances under which someone cannot serve as a governor and these are detailed in the eligibility criteria.

How to I apply?

If you are interested and would like more information, please contact Peter Allen, Clerk to the Governing Body, clerk@fulbourn.cambs.sch.uk. We welcome visits to the school and if you would like to arrange a visit please contact the School Business Manager, Jo Bouttell at sbm@fulbourn.cambs.sch.uk
