Dear Parent/Carer,

The Government's Household Support Fund, which the Council has used to finance the holiday voucher scheme, ended on 31 March 2026, but the Council remains committed to enabling all children to thrive.

With the absence of ongoing national funding to continue the holiday voucher scheme, to mitigate the impact on families, the Council has used its own resources to provide continued support for the rest of this academic year up to 31 August 2026. This means that eligible families will continue to receive vouchers until the end of the Summer to the value of £10 per week. We are exploring alternative ways to support families beyond the summer using the Government's new Crisis and Resilience Fund. While the eligibility criteria for the Crisis and Resilience Fund are different, it could still provide valuable support to families who meet these criteria and are experiencing severe financial hardship.

For May Half Term, we will continue to issue vouchers to those families meeting the low-income criteria for the following support:

- Free school meals - If your child receives Universal Infant Free School Meals (in Reception, Y1 and Y2) but you do not meet the criteria for Income-Related Free School Meals, you will not be eligible for a supermarket voucher during the holiday period.
- Funded childcare for 2 year olds
- Early Years Pupil Premium
- Students in Sixth Form eligible for Free School Meals (young people aged 16-19)

Appendix 1 of this letter outlines the different income-related eligibility criteria based upon a child's age. For eligible young people attending Sixth Form Colleges / Further Education establishments, information on how support will be offered will be sent directly by the college.

Details of how to apply for income related Free School Meals can be found [here](#) – there is a [simple application form](#) which only requires a few details for an instant eligibility check. Each successful application will also bring up to £1,500 additional funding for your child's school.

For May Half Term, our scheme will operate as follows –

We will issue each eligible child/young person with a **£10 voucher** via email and/or text. The voucher will be sent on **Saturday 23 May**. You will be able to choose from a number of different supermarkets.

- Vouchers may take until 9pm on Saturday 23 May to be delivered. If you haven't received your voucher by Sunday 24 May, please [contact us](#). **Please include your child/ren's name and their school/ setting in your email.**
- Any children who become eligible for income-related free school meals up until Sunday 31 May will also receive a voucher. This will be sent when we are notified of newly eligible children by our Education Welfare Benefits Team.
- Details of the supermarkets which will accept the vouchers and how the voucher scheme works can be found in the frequently asked questions document sent with this letter.
- All **vouchers must be claimed by midday on Friday 3 July**. We are **unable to reinstate unclaimed vouchers** after this date.
- If you **do not** wish to receive the food vouchers, please let your school or setting know as soon as possible so that we can reallocate them.
