

28 September 2026

Dear Children, Families, Staff and Members of our wonderful local community,

Our Next Dreams Phase. What Do You Dream For Our School?

Every three years, we pause and ask a really important question: **What do we dream our school could become?**

We are delighted to be launching our next Dreams Phase - a special opportunity for everyone in our school and wider community to share their hopes, ideas and dreams for the future of our school.

Our last Dreams Phase showed us just how powerful it can be when a whole community imagines what is possible. Some of the dreams shared with us became reality. They helped shape our development of play provision, which went on to achieve a Platinum OPAL award. They inspired our new careers and skills for work programme, which has been recognised with a Gold Primary Futures Award. They also helped us develop our Agents of Change projects, giving children meaningful opportunities to make a difference to the world around them.

These achievements began with people sharing their dreams. Now it is time to dream again.

What do you dream for our school?

Perhaps you have an idea about:

- the way our children learn
- our outdoor spaces and play
- creativity, sport, music or the arts
- sustainability and caring for our planet
- technology and the future
- careers and skills for life
- wellbeing and belonging
- our relationship with the local community
- opportunities for children to lead and make a difference
- something completely new that we haven't thought of yet!

No dream is too big. No idea is too small.

We particularly want to hear from our children, because this is their school and their future so they will have lots of opportunities to share their dreams in school. We also want to hear from parents, grandparents, carers, staff, governors, local organisations, businesses and everyone who feels connected to our school.

How can you share your dream?

You can email your dream to: dreams@fulbourn.cambs.sch.uk

Or look out for one of our pupil-led Dreams stands at school, where children will be inviting members of our community to write their dream on a special Dream Bubble.

Monday 5th October 3.15pm - 4.20pm - on the front playground

Tuesday 20th October 3.30pm - 6pm in the school hall

Our pupils will be there to listen, collect your ideas and help us build a picture of what our community dreams for the next three years and beyond.

At the end of October, once we have gathered everyone's dreams, we will bring them together, look for the ideas and aspirations that matter most to our community, and use them to help shape our school's next chapter.

Children, families and our community, if you could change, create or improve one thing about our school, what would your dream be?

We can't wait to hear your ideas.
Let's imagine the future together.

With kind regards,
Mrs Beci McCaughran

Headteacher – Fulbourn Primary School
