

Week Beginning: 5th October 2026

Our Topic is.....

We're Going on an Adventure

Next week, we will be learning about.....

Topic:

We will be reading the book 'On the way home' by Jill Murphy. We will talk about why it is important to tell the truth and identify the qualities of a good friend. We will also focus on using our manners, and saying 'please' and 'thank you' when interacting with others.

Phonics:

Next week we will learn to recognise and form the letters *g, o, c, k*. Using familiar sounds, we will learn to segment and blend CVC words. We will learn to recognise the tricky word – 'is'.

Maths:

The children will build on their subitising skills. They will continue to use 'perceptual' subitising – instant recognition – by saying the number of sounds that they can hear, such as claps or drumbeats, without needing to count. They will be encouraged to look closely at small quantities and observe whether the quantity has changed or only the arrangement.

How you could help your child at home:

- Read with your child daily – Your child has taken home a wordless picture book this week. Take it in turns to use the pictures to tell a story. Please return this on Friday so they can be given a new book.
- Daily practise of the phonemes we have learnt so far.
- When out for a walk notice when objects are grouped into 2s, 3s or 4s, e.g. adults can observe, *I can see 3 bikes*, so that the children see quantities and not just 'something'.
- Go for a walk and collect conkers and pinecones. How many did you find?

Reminders:

- Please place reading records in your child's book bag or backpack everyday as we will be writing notes in them when we read as a group. The day of the week might change.
- Please make sure that all jumpers are labelled with your child's name. Don't forget to rename second hand clothing.
- Wednesday 7th October 3:30pm - EYFS Storytime (details to follow)
