Dear Families of children in EYFS,

Now that your children have settled into school, we are excited to welcome them to join the Spring term clubs if they would like to. All of the information you will need to do this is in this letter.

Fulbourn Primary School is extremely proud of its enrichment club offer. It is designed to support children to experience and develop a wide range of interests, hobbies and talents that support their wellbeing now, and throughout their lives. The programme of clubs is constantly evolving to respond to children's requests, new opportunities and the changing seasons. Some of our clubs are run by specialist providers and others are led by school staff, who wish to share their own talents interests and hobbies.

Our enrichment club offer is generously subsidised by the Wright's Clock Charity, which means every child can access one free club a week and book additional clubs at a small cost. Children are asked to commit to a club for a term and can then choose to continue in that club or try something new for the next term.

Below, you will find a copy of this term's club programme. Different clubs are targeted at different ages. The clubs your child can attend while in reception are highlighted yellow. A club directory, which explains a little more about each club, can be found here on the website.
