Exciting new clubs for Spring:

KS2 Arts & Crafts - Arts and Crafts Club is a chance for children to explore their creativity and express themselves using different materials. Being creative is a great way for children to relax, chat, socialise and have fun together over a shared activity away from the usual classroom routine.

EYFS/KS1 Come Sing and Play – We welcome back this popular club with Mr Brinsdon who's returned after some time off. Join Mr Brinsdon for a fun music making and exploration session! The children will learn songs, experiment with a range of instruments, and develop their performance skills and confidence.

KS2 Create & Record – Another popular club returning after Mr Brinsdon's absence. Join Mr Brinsdon for a digital music making session. The children will use technology to generate and play their own compositions.

More information about all our clubs can be found here on our website.
