Parent and Visitor Code of Conduct

Statement of Intent

At Fulbourn Primary School, we strive to build a strong relationship with parents to help create a stimulating learning environment that continues from school to home, providing all pupils with the opportunity to achieve to the best of their ability.

To create a welcoming and safe learning environment, the school implements a specifically designed set of rules regarding behaviour and conduct which parents are expected to act in accordance with.

All staff members have the right to work without fear of violence or abuse; therefore, physical attacks, threatening behaviour, and abusive or insulting language towards staff members, governors, visitors, pupils or other parents may result in individuals being removed from the premises.

This document outlines the manner in which parents are expected to act whilst on the school premises, as well as detailing the type of behaviour that will not be tolerated.

1 Legal Framework

This document has due regard to all relevant legislation and statutory guidance including, but not limited to, the following:

- Education Act 2011
- Education Act 1996
- Children Act 2004
- DfE (2022) 'Keeping children safe in education 2022'
- DfE (2018) 'Controlling access to school premises'

This document operates in conjunction with the following school policies:

- Complaints Procedures Policy
- Child Protection and Safeguarding Policy
- Substance Misuse Policy

2 Expectations

Our school expects parents to:

- Act in accordance with this code of conduct at all times.
- Support and reflect the school's ethos and values through their behaviour.
- Set a good example to pupils through their behaviour and the way they interact with staff, pupils and other adults.
- Work together with staff members for the benefit of their child and to resolve any issues of concern.
- Treat all governors, staff members, pupils, other parents and any members of the school community with dignity and respect.

Parent and Visitor Code of Conduct

- Where appropriate, clarify their child's version of events with the school to bring about a peaceful solution to any issue.
- Manage their child's behaviour appropriately, particularly on the school grounds where it could otherwise lead to conflict or aggressive or unsafe behaviour.
- Respect the school's property and environment by keeping it clean and tidy.
- Follow the school's parking rules and procedures for dropping-off and collecting pupils from school.
- Dress in an appropriate manner when on the school premises and attending school events, and ensure their dress and appearance reflects that they are role models for pupils, e.g. parents may not wear nightwear when dropping-off or collecting pupils.

3 Driving pupils to school

Parents are not permitted to use the school car parks unless by specific prior agreement with the school for a particular event (e.g. to drop off equipment), or because they require a disabled bay.

Parents are not permitted, to stop, wait, drop off, or pick up pupils while parked in a prohibited area (yellow lines, school markings, dropped kerbs).

Residents' drives should not be blocked under any circumstances, even during short periods of waiting where the car is in use.

Due regard should be given to the directions of school, staff, who are present to advise on and enforce this code of conduct.

4 Inappropriate behaviour

The school takes instances of inappropriate behaviour very seriously and will not tolerate any circumstances that may make pupils, staff members and other members of the school community feel threatened.

Parental behaviour that the school does not tolerate includes, but is not limited to, the following:

- Using foul, abusive or offensive language
- Raising voices inappropriately at another individual
- Making racist or sexual comments
- Using aggressive hand gestures, e.g. raising fists and fingers
- Discriminating against any member of the school community, including pupils, staff, governors and other parents
- Bullying, harassment or intimidation, including physical, verbal and sexual abuse offline and online
- Sending abusive, aggressive or threatening messages, emails or other communications to any member of the school community
- Causing intentional damage to school property
- Breaching the school's security procedures

Parent and Visitor Code of Conduct

- Writing or posting abusive, offensive or defamatory comments about an individual or the school, including on social media
- Approaching another parent or pupil to discuss or reprimand them because of an issue between pupils
- Threatening any member of the school community in any way
- Arriving on the school premises partially clothed
- Smoking (including vaping) on the school premises
- Taking illegal or harmful drugs while on the school premises
- Drinking alcohol on the school premises, unless it has been authorised and supplied by the school
- Taking photographs or videos on the school premises without permission from the school

5 Our staff have the right to:

- Schedule a meeting at a mutually convenient time
- Request a reason for meeting and appropriate details
- Have another member of staff present at the meeting
- Only receive emails through the school office or phase email accounts (not individual email addresses)
- Not reply to any emails received during weekends and holidays until the next working week
- Take up to three school days to respond to emails received. All urgent messages should be addressed to the school office
- Not to be contacted via social media
- End a meeting if they feel uncomfortable or the code of conduct has been breached

6 Managing inappropriate behaviour

If a parent is behaving inappropriately, a report will be made to the headteacher or the most senior member of staff available in their absence, who will decide on the most appropriate course of action.

Parents will raise concerns regarding another parent's behaviour or conduct directly with their child's class teacher or the headteacher and will not approach the parent themselves.

Instances of parents displaying inappropriate behaviour will be managed in a variety of ways, depending on the severity of the situation.

When a parent has behaved inappropriately, they will be invited to a meeting by the headteacher to discuss their behaviour and to attempt to resolve the issue. Where this initial meeting is not sufficient to resolve the issue, the headteacher, in collaboration with other staff and relevant agencies, will consider what further action may be required. This action, depending on the situation, could include the following:

Parent and Visitor Code of Conduct

- Barring the parent from the school premises
- Contacting the police
- Seeking legal redress through the courts
- Restricting the parent's channels of communication to the school, e.g. no longer allowing the parent to send emails to a staff member directly
- Reporting content the parent has posted online to the website's admin
- Referring the case to children's social care, where the behaviour indicates that the parent poses a risk to children

Any child protection and safeguarding concerns will be addressed in accordance with the school's Child Protection and Safeguarding Policy.

The school reserves the right to escort anyone off the premises who is displaying aggressive or disruptive behaviour. The police may be contacted to provide advice on managing an incident or to assist in the removal of an individual from the premises, where necessary. The police will be contacted where a parent is being violent or has committed assault, or where the event has caused harm to an individual.

If a parent has been previously barred from the premises, or has exceeded their implied access to the premises and is causing a disturbance, the police will be contacted to remove the individual from the premises.

If concerns are raised in relation to a parent's appearance or dress, personal factors will be taken into consideration, on a case-by-case basis, when addressing the concern.

If a parent persistently displays unacceptable and inappropriate behaviour, this may result in them being barred from the school premises, in line with the Barring from the school premises section of this policy.

7 Monitoring and Review

This document will be reviewed on an annual basis by the headteacher and any changes made will be communicated to all parents and staff at the school.

All parents will be provided with a copy of this code of conduct upon their child's attendance at the school and are required to familiarise themselves with the procedures and guidelines outlined.
