

## Spring Term – Year 1/2

Below is a list of activities that will help you consolidate the learning you have been doing at school. You can choose as many or as few of these to do as you like. You can bring in anything you have made or done to show to the class during the last week of term, so have your homework tasks completed by Monday 25<sup>th</sup> March 2024.

<p>Create a map of your home or a familiar place.</p> 	<p>Buy some seeds in a small pot or in your garden. Watch them grow and identify the conditions needed to help them grow.</p> 	<p>Put on your hats, scarves and coats and go on a winter walk – Draw or take a picture of the favourite things you saw.</p> 	<p>Carry out research to find out information about an explorer. Design a small information booklet or create a presentation that you can share with your family or friends.</p> 
<p>Transform a fictional book character into a hand puppet. Why not use an old sock?</p> 	<p>“When I grow up…….”</p>  <p>Think about what you would like to be when you are older. Research this job and identify the skills you would need. Make a list of the activities we could do in school to help you achieve this goal.</p>	<p>Select a familiar fiction book from home or the school library. Draw a picture of the setting.</p> 	<p>Would you rather live in on a boat or in a tree house and why? Record your ideas.</p> 
<p>This term we will be exploring the work of British artist, Andy Goldsworthy. He is known for his sculptures and photographs. <a href="https://andygoldsworthy.com/archive/">https://andygoldsworthy.com/archive/</a> Create your own artwork, inspired by his work.</p> 	<p>. Visit the Polar Museum in Cambridge and explore the hidden history of polar exploration.</p>  <p>Website: <a href="https://www.spri.cam.ac.uk/">https://www.spri.cam.ac.uk/</a></p>	<p>We will be creating a model inspired by the work by Aardman Animations stop-motion animation ‘Wallace and Gromit’. Watch an episode or carry out some research to find out how these animations were made.</p> 	<p>Choose your favourite recipe and practise weighing out the ingredients. How much will you need if you double or halve the recipe?</p>
