

Summer Term 2 2024 – Year 1/2

Below is a list of activities that will help you consolidate the learning you have been doing at school. You can choose as many or as few of these to do as you like. You can bring in anything you have made or done to show to the class during the last week of term, so have your homework tasks completed by **Monday 8th July 2024**.

Geography

Draw a bird's eye view of your bedroom.

Materials

Gather a range of objects from around the home. Can you identify the materials they are made from?

Group them by their properties. Which objects are flexible, strong, transparent?

Let's Get Baking!

Follow a recipe at home to allow you to practise weighing ingredients using scales and units of measurement.

Tick, tick, tick

Make a model of a clock using paper, paper plates and split pins. Practice telling the time using your clock – or set a challenge for someone at home!

Eye Spy with my Little Eye.....

Find the following items in your home:

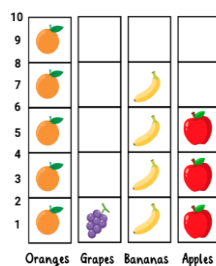

- 3 items that are waterproof
- 3 items that you can see through
- 3 flexible materials

Statistics

What is your family's favourite fruit? Show your findings using a pictogram.

Create a pictogram to identify your family's favourite colour/hobby/food.

Design and Technology

Use junk modelling materials to create an item of playground equipment.

Explain how your structures can be made stronger, stiffer or more stable.

Let's Explore

If you were going on an adventure to the moon, what would you take with you?

Write a list of items.
