Dear Parents and Carers,

Travelling to and from school alone

Children in years 5 and 6 are able, with permission, to travel to and from school alone. This is covered in our Travelling to and from School Alone Policy, copy attached.

If your child is currently in year 4 and you would like them to travel to and from school alone from September, when they will be in year 5, please complete [this online](#) form. Year 5 children who currently hold permission will be permitted to continue to travel alone when they move into year 6 unless we are notified in writing of any changes. Any current year 5 pupils who do not hold permission will also need to apply using the link above.

As a school we want to encourage a healthy lifestyle, whilst ensuring the safety of our pupils and we hope that our policy strikes a balance in both of these aspects.

With kind regards,

The School Office Team

Headteacher: Mrs Beci McCaughran
